Vinyl "Block Out" Stock Door Decal (Your Design, We Print, You Install)*	\$1,184
Lever Style Door Handle with Privacy Thumbturn	\$1,271

DUO & TEAM PODS

Double Sided Acid Etched (Velour Finish) Glass Front Wall (Door + 2 Adjacent Panels)	\$2,074
Vinyl "Block Out" Stock Front Wall Decals (Door + 2 Adjacent Panels, Your Design, We Print, You Install)*	\$2,524
Lever Style Door Handle with Privacy Thumbturn	\$2,060

Privacy Door Handle

Double Sided Acid Etched Glass

- Consistent finish and appearance on both sides of the glass
- Maintenance-friendly, resistant to fingerprints and staining
- Diffuses light, reduces glare, and minimizes reflection on both sides of glass
- Does not peel, scratch off, or discolor
- Soft, velour touch

Vinyl "Block Out" Stock Decals: Your Complete Privacy Solution

*Design, Printing, and Installation

1. We provide the sizing and print specifications to your graphic designer
2. You send us design files
3. We print and ship with your pod
4. Graphics must be installed on-site once the pod is fully assembled and leveled. This eliminates the risk of damage to the graphics during shipment, unpacking, and installation. In addition, in order for proper graphic/pattern matching between multiple glass panels, the pod must be assembled and leveled in your space before graphics are installed.

**See p. 65 Terms & Conditions for Small Order and Crating Fees

A black and white photograph of a feather, likely a quill, with its fine barbs clearly visible. The feather is positioned diagonally across the frame. The word "Oasissoft" is overlaid in a bold, sans-serif font, centered horizontally and partially enclosed by a large, thin, stylized bracket that follows the curve of the feather's barbs.

COM & SPECIALTY FABRICS

COM and Specialty Fabrics possible on Oasis Berco units with qualifications

Fabric must be appropriate for vertical application

Polyester or wool, woven fabrics

Wool/felt texture provides best sound absorption

Soft feel

Must have backing

15/16 oz. per linear yard weight works best

Patterns matched where possible

Minimum 54" wide roll

Sample must be submitted for approval at time of quote

Oasis Soft units require foam-backed fabric.

Minimums will apply

ETL INTERTEK LISTING

The vast majority of Oasis Berco units are ETL/Intertek Listed, demonstrating compliance to UL STD 962 and CSA STD C22.2 #9.0.

This certification has been earned through rigorous independent testing and follow up inspections by an NRTL (Nationally Recognized Testing Laboratory). These tests and inspections are identical to those done by competing certification marks (UL, CSA, and others). The ETL Intertek lab is accredited by the same organizations, agencies, and regulatory bodies as UL.

ETL (Electrical Testing Labs) was founded by Thomas Alva Edison in 1896 and has a long history of providing assurance to consumers through product performance and safety testing.

Inspectors, code officials, and Authorities Having Jurisdiction all recognize the ETL Mark as proof of product compliance throughout North America.

If you have any questions about the ETL Intertek Mark, don't hesitate to contact your Oasis Berco Sales Representative or sales@oasis-berco.com

SEISMIC

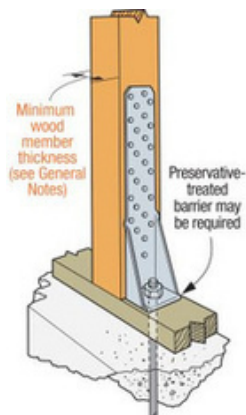

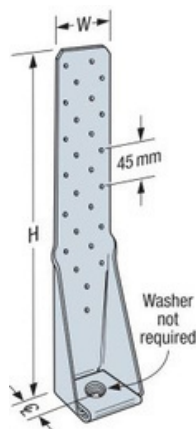

If required, Oasis Berco units can be fixed to the floor with tension ties. Ties will be attached to the unit in all 4 corners and, in larger units, at the center of each wall. Anchor bolts (specified by a local architect based on floor type and local code) are used by the installation team to bolt the unit to the floor.

The tension ties used have been evaluated for compliance to numerous building codes and regulations. They have also been approved by a variety of municipalities, including Los Angeles, CA. Evaluation Reports available upon request.

The cost to add the Seismic Kit and additional frame structure to an Oasis Berco pod, booth, or hub is \$1,000 (list price).

Your architect should review all materials related to the Oasis Berco seismic kit for compliance to local codes. If your municipality requires a different solution, contact Customer Service and provide specific details as to what is required to secure the pod, booth, or hub, and we will explore a custom solution for you.

SUSTAINABILITY

At Oasis Berco, we are committed to reducing our impact on the environment by manufacturing our products using recyclable and sustainable materials when viable and acceptable to our customers.

Unlike many of its competitors, Oasis Berco products are made in the US, largely from US materials, reducing the carbon emissions associated with transportation throughout the manufacturing and distribution process.

Oasis Berco uses wood as its primary component. Wood is 100% natural, renewable, biodegradable, and carbon negative. The wood used in Oasis Berco products is purchased from known, legal, and well-managed sustainable forests. The wood used in Oasis Berco products complies with California Phase 2, the most stringent regulation for formaldehyde emission from wood products. Certificates available upon request.

Glass is another key component of many Oasis Berco units (Phone Booths and Pods). Glass is made from readily-available domestic materials, including sand, soda ash, limestone, and "cullet," the industry term for furnace-ready recycled glass.

All laminates used in the production of Oasis Berco units and work surfaces have GreenGuard certification.

The acoustic fleece ceiling material used in Oasis Phone Booths, Pods, and Booths is manufactured in a zero-waste process from recycled materials.

Oasis Berco products are free from perfluorinated compounds. Only trace amounts of formaldehyde can be found in particle board, plywood, and laminate. Certificates available upon request.

The aluminum used in Oasis Linear products is 100% recyclable. We recycle all aluminum scrap.

Paints used in powder coating are certified to be of low VOC content. They emit no hazardous air pollutants (HAP), or noxious fumes when exposed to fire NFPA 704 Health = 1, Fire =1, Reactivity=0. Negative-impact materials used in finishing products are collected appropriately and turned over to environmental professionals who safely and effectively handle their disposal or reuse.

The corrugated cardboard material and containers used in packaging and transporting our Phone Booths, Pods, and Hubs, are made with a minimum of 35% recycled material.

We make efforts to ensure similar standards of care for the environment on the part of our vendor partners.

ACCESSIBILITY

Oasis Berco is proud to offer the most accessible Phone Booths, Pods, and Booths in the category.

Oasis Berco units have no threshold, step, or "lip" providing barrier to entry. Most competitors' units require users to step over a threshold, some as tall as 4", making entry by persons with wheelchairs, walkers, canes, or other mobility devices difficult or even impossible without the addition of a ramp.

Oasis Berco offers the widest range of Booth and Pod sizes, as well as the greatest ability to customize its units and furnishings, making compliance with ADA standards more feasible.

The following Oasis Berco units comply with ADA standards with appropriate furniture selections (additional client-supplied furniture configurations may also meet ADA guidelines):

Unit	Unit Dimensions*	Door Opening**	Furniture
Linear Team Pod (Large)	79"w x 79"d	32" clear opening	Acoustic fabric-lined rear wall with wall-mounted seated height work surface
Linear Team Booth	90"w x 79"d	90" open front	Seated height wall-mounted work surface on back wall
Soft Team Pod (Small)	112"w x 100"d	32" clear opening	60"w x 20"d seated height flip-top table on rear wall
Soft Team Pod (Large)	120"w x 108"d	32" clear opening	32"w x 42"d seated height pedestal table mounted to rear wall
Soft Team Booth (Large)	90"w x 79"d	70" door opening	50"w x 20"d seated height flip top table mounted to rear wall

*ADA requires 5' turning circle for wheelchairs

**ADA requires 32" clear door opening for wheelchairs

NOVUS

COLLECTION

The logo for the Novus Collection, featuring the word "NOVUS" in a bold, sans-serif font, with the word "COLLECTION" in a smaller, all-caps font directly below it. The text is centered within a thin black rectangular border.

NOVUS
COLLECTION

TRANSFORM YOUR SPACE

Build your Novus unit piece by piece to create your ideal configuration. Use the Novus Sketch Grid (page xx) to lay out all the pieces and submit for a quote, or choose your starter, add-on, and end stacks then finish it off with accessories including corners, bridges, shelves, display boxes, cabinets, and more.

While Novus configurations are virtually unlimited, you can also make it easy by choosing from pre-priced Novus typical configurations (pages xx-xx).

Need more flexibility? Build a Novus Mobile unit up to 3 blocks high and 4 blocks wide on casters.

Novus ships flat pack, with the exception of corners and bridges, which are fully welded units. Accessories also ship pre-assembled and ready to set in place in your unit.

Single Width Blocks:

Exterior: 17" w x 17" d x 17" h

Interior: 15" w x 15" d x 15" h

Double Width Blocks:

Exterior: 32" w x 17" d x 17" h

Interior: 31" w x 15" d x 15" h

Choose from 12 standard powder coats, 12 standard laminates, and 36 standard fabrics for your Novus frame and accessories. See pages xx-xx for finish swatches.

NOVUS STARTER STACKS

The Stack at the far left end of your Novus unit is the Starter Stack. Starter Stacks consist of 2 vertical columns (from 1–5 blocks high) and the appropriate number of horizontal cross bars. The starter (far left) vertical column differs from other vertical columns in that it does not have any slots on the exterior edge, giving the end of your Novus configuration a clean, finished look.

Choose your Starter Stack based on how many blocks are in the stack directly to its right. If the Stack to the right is equal to or lower than the Starter Stack, choose a 5-, 4-, 3-, 2-high Starter Stack. If the Stack to the right is taller than the Starter Stack, your Starter Stack will reference the height of the Starter Stack and the height of the Add-On Stack to the right (example: if your Starter Stack is 4-high and the Add-On Stack to the right of the Starter is 5-High, select the 4–5 High Starter Stack).

Starter Stacks are available in single or double width.

2024 Pricing
November 15, 2023
Call Factory for pricing on Novus. Due to the current volatility in steel pricing, Novus must be quoted by Oasis Berco Customer Service. Pricing will be good for 4 weeks from time of quote.

NOVUS ADD-ON STACKS

Add-on Stacks are the stack(s) between your Starter Stack (far left end of the unit) and your End Stack (far right end of the unit). Add-On Stacks include 1 vertical upright and the appropriate number of horizontal cross bars to connect to it to the Stack to its left.

Choose your Add-On Stack(s) based on how many blocks are in the stack directly to its right. If the Stack to the right is equal to or lower than the Add-On Stack, choose a 5-, 4-, 3-, 2-, or 1-high Add-On Stack. If the Stack to the right is taller than the Add-On Stack, your Add-On Stack will reference the height of the Add-On Stack and the height of the Stack to the right (example: if your Add-On Stack is 3-high and the Stack to the right of the Add-On Stack is 5-High, select the 3-5 High Add-On Stack).

Add-On Stacks are available in single or double width.

2024 Pricing
November 15, 2023
Call Factory for pricing on Novus. Due to the current volatility in steel pricing, Novus must be quoted by Oasis Berco Customer Service. Pricing will be good for 4 weeks from time of quote.

NOVUS END STACKS

The End Stack is the Stack at the far right end of your Novus unit. End Stacks include 1 vertical upright and the appropriate number of horizontal cross bars to connect to it to the Stack to its left. The vertical upright has no slots on the outside edge so that the end of your Novus unit has a clean, finished look.

End Stacks are available in single or double width.

TERMS & CONDITIONS

Delivered Pricing

Regular ground transportation only dock-to-dock – via carrier of Oasis Berco, LLC's sole discretion. Any additional transportation charges such as, but not limited to, non-standard routing, authorized split shipments, re-consignment, re-delivery, or storage will be the sole responsibility of the Customer. Alaska, Hawaii and Puerto Rico prices include shipping to port of embarkation. Additional fees and taxes will be quoted for each specific order.

Small Order Fee

All orders less than \$10,000 list are subject to a \$399 net Small Order Fee.

Crating Fee

Any finished goods requiring crating to protect for damage will incur a \$99 net fee per crate.

Installation And Assembly

Installation and assembly is NOT included in Delivered Pricing. Please arrange for installation and assembly with your Oasis Berco, LLC Dealer or Representative.

Special Shipping Requests

Any special requests such as "Inside Delivery" will incur additional shipping charges and will be the responsibility of the customer. Please call Customer Service for a quotation. Any special requests made by the customer directly to the carrier will be the sole responsibility of the Customer.

Routing

Oasis Berco, LLC reserves the right to use the carrier of its choice at their sole discretion.

Customer Designated Freight Carriers

For customers designating their own freight carrier, freight charges shall be collect or third party billing. A 5% discount from the net price will apply, with the exception of "Small Orders" as defined in the Small Order Delivery Fee Section. All freight will be subject to the actual freight class. Oasis Berco, LLC will not be responsible for any billing disputes with shipments FOB Factory.

International Shipments

Please contact Customer Service for quotation (888) 772-4788.

Cancellations and Changes

Cancellations or changes will not be accepted once a purchase order has been acknowledged without express written approval from Oasis Berco, LLC. Requests for order cancellation or change must be received in writing. If cancellation is approved, a processing fee of 25% of the original purchase amount will be assessed. All non-standard orders for special construction or special finish cannot be cancelled once production has started or materials have been ordered.

Terms of Sale

All prices herein are list prices, freight-prepaid, F.O.B. origin to the 48 contiguous states. Orders to Alaska, Hawaii and Puerto Rico are shipped to port of embarkation.

Illustrations, specifications, and prices are based on the latest information at the time of publication. The right is reserved to make changes at any time without notice regarding pricing, finishes, materials, specifications, and models, and to discontinue models and finishes.

Oasis Berco, LLC is not responsible for omissions or errors in typography or photography.

All orders are subject to acceptance by Oasis Berco, LLC. The purchaser is responsible to submit complete orders. Incomplete or incorrect orders will be processed upon reception of the complete information and normal production lead-time will be applied from the date that the complete information is received.

Payment terms: 1% 15 days, Net 30 Days. A 50% deposit prior to order processing must accompany all orders for customers who have not established open account terms with Oasis Berco, LLC.

TERMS & CONDITIONS

Oasis Berco, LLC does not allow any unearned discounts. All unearned discounts will be charged back to the customer. Interest will be collected at the legal maximum rate on all past due accounts.

Oasis Berco, LLC does not allow C.O.D. shipments. Credit card payments are subject to 3% processing fee.

Quotes

All Oasis Berco, LLC price quotations are estimates only. Applicable taxes and other charges may not be included. A quote may be withdrawn at any time. In the event of errors or omissions, the offer will be void and will be corrected upon request. All quotes for custom-manufactured items subject to change pending sign-off on final design drawings. All clerical errors are subject to correction. Customer acceptance of a Oasis Berco, LLC quote should be made by issuing a Purchase Order.

New Accounts

Possession of the price list does not constitute an offer to sell. Please contact Oasis Berco, LLC for your area representative or visit our website, www.Oasis-Berco.com.

Order Processing

Purchase Orders must be received in writing. This includes orders sent via U.S. Postal Service, fax and e-mail. All orders received via e-mail must contain either a digital signature or a signed purchase order in PDF format. Duplicate purchase orders not marked "CONFIRMATION" are the sole responsibility of the customer. Purchase Orders must be complete and pricing correct.

Small Order Delivery Fee

All orders less than \$5,000 (list price) are subject to a \$99 net shipping and handling charge to US destinations.

Sales Order Acknowledgement

Important: All orders are manufactured and invoiced according to the Sales Order Acknowledgement. Please review your acknowledgement and immediately report any discrepancies to Oasis Berco, LLC. Modifications to acknowledged orders are not allowed without express written authorization. The details appearing on this acknowledgment will describe the items to be shipped to the purchaser and the ready-to-ship date (not the actual shipping date). It is the purchaser's responsibility to verify that the acknowledgment information is correct. If not, the purchaser must notify Oasis Berco, LLC within 48 hours in writing. Failure to provide corrections within 48 hours could be subject to extra charges (see Cancellations and Changes).

Modifications

Modifications to our standard items are available. Call Customer Service for assistance and pricing. Engineering charges will be quoted on the initial purchase, if applicable.

Taxes

Applicable sales and other taxes will be charged separately unless the proper exemption certificate for such taxes is supplied.

Storage Of Goods

If requested, Oasis Berco, LLC will endeavor to store merchandise for the purchaser. For rates, please contact our Customer Service department.

Repairs

Oasis Berco, LLC will not allow charges for repairs and deductions for repair costs without prior written authorization. Customer Service will provide the necessary authorization forms and instructions for repairs.

TERMS & CONDITIONS

Returns

Returns will not be accepted without prior written authorization by Oasis Berco, LLC. Oasis Berco, LLC Customer Service will provide the necessary return authorization forms and Bills of Lading. Returns that are unauthorized and not accompanied by the required documentation and Bills of Lading will be refused. The decision to allow product to be returned is at Oasis Berco, LLC's sole discretion.

A restocking charge of 25% of the original purchase amount will incur on standard items authorized for return, provided all goods are in perfect condition. All freight charges incurred in the return will be the sole responsibility of the Customer.

Title Transfer

Legal title of the merchandise transfers to the Buyer upon acceptance and pickup by the Freight Carrier from the factory.

Freight Policy Overview

Oasis Berco, LLC takes great care to make sure each shipment arrives in perfect condition. On occasion, there is damage that occurs during shipment. If the receiving party follows the procedures outlined below, Oasis Berco, LLC will assist in filing the freight claim with the Carrier and will do everything possible to eliminate any additional expense incurred by the Buyer. Failure to follow the procedures below can result in the Buyer taking responsibility for the freight claim and any associated costs to replace/repair damaged product.

It is strongly advised that the Buyer open and inspect every item before the Carrier departs. If the Buyer chooses not to inspect every item at the time of delivery, Oasis Berco, LLC cannot guarantee any claims. In the event the Buyer does not open and inspect items at delivery, the Freight Bill should be signed as follows: No visible damage noted. Any concealed damage to be reported within 15 days. Buyer Signature & Driver Signature.

Visible Damage / Missing Items Policy & Procedure

It is the Buyer's responsibility to visually inspect all items when they are received - before the Carrier departs. The following process should be followed for any items that appear to have visible damage on the outside of the carton (crushed corner, punctures, scuff marks on packaging, etc.):

1. Open all cartons.
2. Inspect cartons carefully. Confirm receipt of all items against Packing List.
3. Note on the Carrier's Freight Bill the missing items and/or specific damage identified.
4. Sign Freight Bill and get driver to sign as well - make a copy for your records. Freight Bill to be signed as follows: Damage to items XXX (list each item) as shown to driver. Missing items XXX (list each item). Any concealed damage to be reported within 15 days. Buyer Signature & Driver Signature.
5. Take digital pictures of the damage (often times the driver will take the necessary pictures) including:
 - a. Damaged carton/packaging (internal and external, if applicable)
 - b. Damaged contents
6. Please hold damaged product and packaging in the event the insurance company needs to review.
7. Complete Oasis Berco, LLC's Damage Report Form and submit to Customer Service.

TERMS & CONDITIONS

Concealed Damage Policy & Procedure

All freight carriers strictly require that concealed damage claims be filed within 5 days of accepted delivery. The carton and damaged unit(s) must be located at the location matching the original delivery address for Carrier inspection. The following procedures must be followed for concealed damage:

1. Once damage is found, stop immediately and take digital pictures: (a) Damaged item as it sits in the box; (b) External and internal carton/packaging.

FAILURE TO TAKE PICTURES AT THIS STAGE

WILL RESULT IN A DENIAL OF CONCEALED

DAMAGE CLAIM. ONCE ITEM IS INSTALLED, NO CONCEALED DAMAGE CLAIM MAY BE FILED.

2. Complete Oasis Berco, LLC's Damage Report Form and submit to Customer Service.
3. Please hold damaged product and packaging in the event the insurance company needs to review.
4. Oasis Berco, LLC cannot guarantee any Carrier claim settlement on concealed damage. In the event the above is not strictly followed, the Carrier will not even accept the claim for review.

Labor Policy

Labor reimbursement for repairs, replacements, or storage due to freight damage is not covered by Oasis Berco, LLC's warranty plan. Invoices for labor charges on damaged or missing items will not be honored unless approved in advance by VP of Sales. If approved, labor is limited to the maximum amount of \$40 per hour. Any approved labor will be issued as a credit on account.

Payment Hold

Only damaged items that have been properly reported will be authorized for "payment hold" until final resolution. Remittance for balance of non-damaged items must be made within invoice terms to avoid finance charges.

Storage Damage Policy

Oasis Berco, LLC cannot warranty items in storage under the following circumstances: (1) Storage areas that are not temperature and humidity controlled; (2) Damage claims on items held in storage for more than 15 days from delivery acceptance.

Freight Pick Up Policy

If Buyer selects to pick up freight, they will be responsible for selecting Carrier, negotiating rates and terms (including insurance), and remitting payment directly to Carrier. Buyer agrees to comply with all state and federal laws, rules, and regulations regarding shipment of goods from Oasis Berco, LLC. Customer will be solely responsible for any and all freight claims. Customer assumes all liability associated with shipment. Customer will sign Oasis Berco, LLC's "Customer Arranged Freight Election & Liability Waiver" form.

Hidden Damage Replacement

In the event that there is hidden damage that is not covered by the Carrier, Oasis Berco, LLC will replace the item at the following charge: net price PLUS actual shipping cost of replacement LESS 50%. Standard payment terms will apply. Labor will not be paid for hidden damage replacement.

WARRANTY

Conditional 5 Year Warranty (subject to exceptions at right)

Oasis Berco, LLC warrants its manufactured products are free of defects in design, material and workmanship for up to 5 years, for as long as the original purchaser owns them. If written notice of the defect is given to Oasis Berco, LLC within the applicable warranty period, Oasis Berco, LLC will repair or replace with comparable product, at Oasis Berco, LLC's choice, without charge to the original purchaser, which fails under normal use as a result of such defect.

OASIS BERCO, LLC'S LIMITED WARRANTY IS PROVIDED IN LIEU OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING WITHOUT LIMITATION, WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, ALL OF WHICH ARE HEREBY SPECIFICALLY DISCLAIMED. OASIS BERCO, LLC WILL NOT BE RESPONSIBLE FOR CONSEQUENTIAL OR PUNITIVE DAMAGES. OASIS BERCO, LLC NEITHER ASSUMES NOR AUTHORIZES ANY PERSON TO ASSUME FOR IT ANY OTHER OBLIGATION OR LIABILITY IN CONNECTION WITH THE SALE OF ANY ITEM OR ANY PART THEREOF.

Exceptions

The following are exceptions from the 5 year warranty:

One Year Warranty: Laminate self-edges, Bar Stools

Twelve Year Warranty: Booths

Items not manufactured by Oasis Berco, LLC are covered by the Manufacturer Warranty, including: chairs, electrification, network accessories, laminate and solid surface material.

Exclusions From Warranty: Normal wear and tear; Customer's own material (COM); Any product that has been abused, altered or subjected to any use other than that which was originally intended; Any product cleaned with a solvent-based cleaner; Products that were not installed, used, or maintained in accordance with product instructions and warnings; Matching of color, grain and texture of wood due to natural variations, which cannot be controlled.

At Oasis Berco, LLC's sole discretion, we will repair or replace any item determined by Oasis Berco, LLC to be defective as a result of manufacturing defects. In no event shall liability under this warranty exceed the current depreciated price of the defective product.

WARRANTY

Labor

Labor reimbursement for repairs, replacements or storage due to warranty issues is not covered by Oasis Berco, LLC's Warranty plan. Invoices for labor charges on warranty items will not be honored unless approved in advance by VP of Sales. If approved, labor is limited to a maximum of \$40 per hour. Any approved labor will be issued as a credit on account.

Non-Obsolescence Statement

Oasis Berco, LLC is committed to providing customers with products of comparable aesthetics and function for the life of the warranty period. Despite an effort to maintain full availability of our products, components or materials may become discontinued by our suppliers or by our continuing commitment to produce outstanding quality products. This includes, but is not limited to, finishes, accessories, laminates, and other functional components. Products qualifying for replacement under warranty will be replaced with products of most similar function or aesthetics in the event the identical product is no longer available, at the sole discretion of Oasis Berco, LLC. In no instance will Oasis Berco, LLC replace items not qualifying for warranty replacement due to not matching a warranty replacement item.

Legal Disclaimer

This Warranty is the Customer's sole remedy for product defect. This Warranty does not cover damage by a carrier in transit. Oasis Berco, LLC makes no warranties, including the implied warranties of merchantability or fitness for a particular purpose, other than the expressed warranties contained herein. There are no other warranties express or implied. Oasis Berco, LLC shall not be liable for consequential or incidental damages arising from any product defect.

CARE & MAINTENANCE

Fabric

To remove dust/light debris from fabric, follow the following steps (in order):

1. Use compressed air to blow the dust off the unit
2. If this does not completely remove the dust, use a lint roller or a white, dry, clean cloth to "dust" the fabric by lightly rubbing the fabric in a vertical direction, gradually increasing in firmness.

To remove stains, spot clean using a water-free solvent or dry cleaning product.

Laminate Surfaces & PVC Edges

Clean with a mild soap solution and rinse with clean water. Wipe the entire surface, moving with the pattern; follow this by wiping with a clean, dry soft cloth.

Powder Coat Surfaces

Clean surface with a mild soap solution. Rinse with a soft cloth dampened with clean water.

Wood Table Legs

Clean wood legs frequently with a soft cloth dampened with water. Move the cloth in the direction of the grain. Continue wiping until the wood surface is dry.

Use a soft cloth to immediately remove any liquids that come in contact with wood surfaces. Always blot to absorb spilled liquids. Avoid exposure of furniture to extreme heat or cold, wide humidity variances, and strong sunlight. Do not use or expose wood furniture to harsh solvents (cleaners with high concentrations of ammonia, etc), as cleaners of this type will cause the finish to deteriorate.
